

# GAME REPORTS

A team official must complete the [Game Report](#) within 48 hours of the completion of the game. There is a \$50 fine for not doing so unless you contact us with a logical reason. We recommend one Team Official take on this responsibility to ensure consistency and accuracy of completion.

- Log into the SOSA website and go to your Team Management page
- Click on [Game Report](#) in the menu
- Find the correct game in the pull-down menu
- Add in the score and scorers (U14+)
- Answer the quick questions regarding field conditions
- If you make an error, email the League Manager with the Game Number so the [Game Report](#) can be cleared for you to re-enter accurately.
- A confirmation email will be sent by the LMS for completed Game Reports. Please keep these until the end of the season for proof of completion in the case of fines being issued for late reports.
