REFEREE'S GAME SHEET CHECKLIST

You are being paid per game, *not per hour*, and it is expected that you are at the field to complete all of the before-game and after-game tasks. Please arrive 30 minutes ***before*** the game to complete the following:

- ➔ Get 3 game sheets from each team.
- ➔ Count the number of Team Officials per team and compare to the sheet.
- ➔ Count the number of players per team and compare it to the sheet.
- ➔ Ask Team Officials to do the Player Identification and initial the sheet as required.
- ➔ Indicate if there is a game delay being caused and by whom, if yes.
- ➔ Indicate if there is a protest being filed and by whom, if yes.
- ➔ Indicate if a Team Official has noted a discrepancy between the game sheet and TRR
- ➔ Check that two proper nets and four corner flags were provided by the home team.
- ➔ Check that there is no uniform clash and ask the home team to change if there is.
- ➔ PRINT your name and Assistant Referees' names on the sheet neatly, if it is not already there.

DURING THE GAME

- ➔ Players arriving late must be verified by an opposing Team Official.
  - ◆ Grassroots players may join the game at any time.
  - ◆ Competitive-aged players must arrive before half-time to play.
- ➔ Any number changes to jerseys must be cleared by you and noted on the game sheet neatly *(goalie plays out, jersey has blood on it).*
- ➔ If any other team officials arrive late, they must be on the game sheet.

AFTER THE GAME

- ➔ Indicate goal scorers and cards for Competitive-aged teams. (It is good practice to note the goal scorers even in Grassroots, so it is not new to you when you move to Competitive-aged teams.)
- ➔ Indicate the final score at the top of the game sheet for ALL teams.
- ➔ Have Team Officials sign the sheets if they haven't already.
- ➔ Give one pair of sheets to each team and keep the third pair for yourself. Double-check you have both!
- ➔ Upload photos of game sheets to RefCentre within 24 hours.
- ➔ Keep ALL game sheets until the end of the season.
